4. All of these documents are admissible evidence because they are either maintained in the ordinary course of defendant's business, or publicly available documents, or excerpts from the deposition testimony of the parties and witnesses taken in this action. They are also admissible because the reviewing Court of an Individuals with Disabilities Education Act appeal "shall receive the records of the administrative proceedings," when making a determination as to the accuracy of the ALJ's decision. *See 20 U.S.C. § 1415(i)(2)(C).*
